# PLAYER PATHWAY

## Player Pathway at the Academy

## WHERE TO START?

At World of Golf there are two places to start

1. Private Lessons, in which you work one on one with an instructor to improve your swing
2. Group Lessons, in which you join a group of golfers of a similar ability to improve. Our programs have been meticulously restructured to promote early and ongoing success for each of our students. Each level builds on the last, encouraging reliable and steady improvement.

### WELCOME TO GOLF

In Welcome to Golf we ensure that everyone starts their pathway with the basics soundly in check. You will learn (or re-enforce) basics of putting and full swing such as grip, stance, and posture; in a safe and fun environment

### LEARN TO PLAY

In the preparatory program, you are prepared for success on the course. Participants continue to improve their putting and full swings; while learning about course etiquette and management.

### LEARN TO COMPETE

This program is spent 100% on the golf course. In this program, you will play two – 9 hole rounds and begin to refine your golfing ability by going more in depth in what it takes to become a “successful” golfer.

# Fit to a tee!

Many amateur golfers of varying skill levels stunt the improvement of their games by believing they are “not good enough” to get a club fitting. They say that once their golf game starts to improve then they will invest in a professional fitting, but it is not worth it yet.

Not only does poorly fit equipment lead you to poor swing development, but it also makes the game more frustrating, deterring you from even continuing with the game. We can fit you in all major brands including: Callaway, TaylorMade, Mizuno, Cobra, etc.

## Schedule your fitting today!
